

Test Setup Photographs
FCC ID #V9CSP-X01D2

Test Setup Photographs

20 dB Bandwidth

Peak Conducted Output Power, Spurious Emissions Antenna Port

Test Setup Photographs

Spurious Radiated Emissions, Band Edge and 1 to 25 GHz

Note: The EUT is permanently installed within a concrete structure, emissions measurements were taken with only the EUT antenna exposed.

Test Setup Photographs

Field Strength of Spurious Emissions, Digital Device

Note: The EUT is permanently installed within a concrete structure, emissions measurements were taken with only the EUT antenna exposed.
